Publish your book/ Convert your thesis into book (with ISBN number) - Publish Internationally

We at **Meta Research Press** are always interested in hearing ideas for potential new journals/Books. If you have spotted a gap in the market for a new journal/book, please submit a proposal for consideration to our publication department.

- Send your book proposal at: E-Mail editormrp@gmail.com or editor@mrjournals.com
- For any query please call at: 011-4732-1486, +91 9818325640

Kindly send us following details in your proposal email:

- Name and Affiliation of Authors.
- Table of Content
- Preface
- First two chapters or complete manuscript (preferable) in MS Word format (preferable format).

For a thesis converted into a book format to be viable it must be redesigned in such a way that it can target a broader audience majorly including the College students (Under Graduates, Graduates and Post Graduates).

- Submit your thesis for evaluation at: E-Mail editormrp@gmail.com or editor@mrjournals.com
- For any query please call at: 011-4732-1486, +91 9818325640

A final grooming of your thesis is necessary before publishing it in a book form. The advantage of publishing with **Meta Research Press** | www.mrpress.org is that we have a unique expertise of publishing Thesis into Book form.
